Subject: Thank you for Today's Call

Dear Dr. Nance, Taimur, Helena, and the rest of the EPA team in attendance this afternoon,

Thank you all so much for attending the meeting with the Louisiana Coalition this afternoon. We appreciate your time and attention to detail in answering our questions. We look forward to the follow-up information that your office will provide to the coalition.

1. List of references and sources for the information that EPA is referencing in their research.
2. Information on old Oil Wells and subsurface geology -- more info from Dr. Shaikh
3. Primacy and the timeline when you know more.

We will send you a letter soon as well with additional questions because we certainly have more! More notes to follow. Thank you again for your time and transparency Dr. Nance and Region 6.

Sincerely,
Eloise and the entire Coalition to Stop Carbon Capture in Louisiana

--
